CAT	Paddy has been pursuing a lease for 50 or 99 years rather than the 25	
	years on offer. We have received the draft lease with the condition	
	that there would be no automatic renewal. Our solicitor is happy	
	with the draft lease and it was <b>AGREED BY ALL</b> that Paddy should	
	instruct him to execute the lease from mid-August. In the interim	
	directors are asked to go over the lease and email comments to Paddy	Paddy/All
	by the end of July.	
	~ Ask Hfds. Council the actual cost of insurance for next year and	
	the system used to calculate the amount.	Mark
	~ Check details of our directors & officers listed with Companies	Lisa
	House.	
Operational	<b>Events</b> : Historical Hereford Day & Midsummer Fair on 1 <sup>st</sup> July had	
	been a great success. The events team would research themes for	
	2018 by end of August. To ensure a wider choice of booking	
	opportunities, we need to know as soon as possible if the budget is	
	secure for next year and Amanda was asked to email Steve Kerry to	Amanda
	this effect. Katie will put together the budget reconciliation & report	
	for the Community Development Grants Committee Meeting on	
	Wednesday, 19 <sup>th</sup> September & needs someone to accompany her.	Katie

	page on Facebook set up, arrangements for the evening were in hand.	
	~ Awards for All: the next Planning for Real was on 6 <sup>th</sup> August on	
	Bishop's Meadow and Katie was recruiting volunteers to man the	
	stand. The next World Café was on Wednesday, 6 <sup>th</sup> September &	
	everyone was asked again to send a list of their business contacts to	All
	Katie. Mark would ask Monique Heijn to invite her list of contacts.	Mark
	Katie will prepare a breakdown of the budget.	Katie
	Mark would contact the funders to explain that the cost of the meals	
	had been very much lower than expected as our suppliers had been so	
	generous but that staff time in generating invitees had been much	
	greater than expected and we would need to adjust the budget	
	accordingly. He would ask if some of the budget could be re-	Mark
	allocated to salary & an on-line survey.	
	~ The AGM was on Thursday, 19 <sup>th</sup> October. Black Dog would	
	provide the buffet as before & Lisa would send out a suggested	Lisa
	agenda to the Board.	
	~ It was accepted that the <i>Christmas Fair</i> needed energizing.	Annabel
	Annabel was asked to work on the music again and additional	
	entertainment would be provided.	
	~ Event dates for next year were circulated.	
	<b>Gardening</b> : There had been criticism on Facebook of the flowerbeds	

Real stand Operations: Christmas Meal booked at Madam & Adam on Friday 1st December at 7.30pm  AECB are interested in using the larger office for twelve months minimum. Katie had suggested £1,000 a year with a small amount of pro bono advice and a three month trial period. It was agreed to go ahead with that having advised them of the disruption from Livewire on Thursdays and during the weeks they took over the entire building.  Steve's input into the Awards for All Budget is needed before the final breakdown.  Windows: The £4,000 grant must be spent on the two windows in the Artist's Room. It was agreed to accept the grant on that basis.  Mark would take photos and measurements and prepare a brief for refurbishment and draught proofing to send to the suppliers for a couple of quotes. We can then agree a quote before forwarding them on to Severn Waste, indicating our choice and then to the Conservation Officer.  Newsletter: The content usually covered long term messages in the Chairman's Report, practical matters from Katie and events coming up. The next edition was planned for early October and it was decided to include an item on the value of the newsletter to the community & whether it should continue, asking for readers to let us know what they felt.  Volunteer Coordinator. A paid post was considered but it was felt that we were neither large enough an organization nor could we afford it at the moment. Perhaps consider a grant application for a two year post. Amanda will put together a job description and Annabel would talk this through with Annie Lilwall.  From the discussion on these as prepared by Amanda, it was agreed to lower the priority of Volunteer Coordinator to Low, that Mark would be responsible for the newsletter and that Katie was providing skills & capacity for Events management.  Now that the execution of the lease for the Pavilion was underway, we had moved a significant step closer to the planned refurbishment & restoration of the building. Capacity Review	to lower the priority of Volunteer Coordinator to Low, that Mark would be responsible for the newsletter and that Katie was providing skills & capacity for Events management.  Now that the execution of the lease for the Pavilion was underway, we had moved a significant step closer to the planned refurbishment & restoration of the building. As a Board, we had neither the time nor expertise to manage this ourselves and would need to research what steps to take before putting in the application for project development funding. Suggestions including asking Clare Wichbold & RRA for advice or using a professional facilitator with community experience. Mark would make the initial contact with the Heritage Lottery Fund regional office to ask for suitable contacts.	Mark
