# HEREFORD'S CASTLE GREEN

---

LOTTERY FUNDED

Did you know that in the heart of Hereford City there is a unique open space, accessible to all, which has a history dating back to Anglo-Saxon times?

Castle Green's history is rich and varied and in this modern age the space provides a valuable recreational resource to those living within the City. The Friends of Castle Green want to be able to assure a future for this beautiful and historic open space and are undertaking a City-wide consultation to determine the future of Castle Green and the surrounding area.

Friends of Castle Green have already taken over the management of the Pavilion, a Grade II listed building sited on the Green which is available to hire for community events and activities, as well as the Canoe Centre which provides water activities for young people run entirely by volunteers.

This historic site has seen many changes over the years but the Friends of Castle Green are committed to ensuring that it remains a park for the people of Hereford. With inevitable Council budget cuts, Castle Green's future is uncertain.

## COME AND JOIN FRIENDS OF CASTLE GREEN FOR A FREE DINNER

---

Friends of Castle Green has been awarded an Awards for All Grant to consult the whole of the City on the future of this public open space and we want to hear your views. We will be holding a series of evening 'World Cafe' events at the Pavilion on Castle Green to hear the thoughts and ideas of those who live in and around Hereford City. From this we will develop a realistic plan to keep Castle Green open and beautiful for all those who wish to use it. A free meal will be provided and all we ask is that you come along with a friend or two, and give us your views and ideas.
