We are so pleased to welcome Katie Bott, our first employee, who started with us in October. Katie brings a wealth of experience in marketing and event organisation in the private and community sectors. She brings much needed skills and capacity to help run our busy programme of events, and grow the use of the Pavilion over the next 12 months.

There was a lot of interest in the role, so a huge thanks to all who applied and we hope to be able to offer more opportunities in future.

WELCOME TO
Katie Bott
Operations Manager

I am delighted to be working with the Friends of Castle Green and am very excited about the future of the Pavilion. I am hoping that my PR and marketing background, coupled with my event organisation experience, will help me to raise awareness of this wonderful facility securing a strong future for Castle Green and the Pavilion at the heart of the community.

I very much look forward to integrating with the local community and meeting all the valued members of the Friends of Castle Green.

I am keen to hear your suggestions, so please just email operations@friendsofcastlegreen.org.uk
