Room Charges

The following are interim room hire rates for the Castle Green Pavilion. These charges may be subject to change as our project development period progresses but we will do our utmost to accommodate existing bookings at the rates agreed.

NB Disabled Access: The Pavilion is a Grade 11 listed building involved in a community-led development process. Existing disabled access to the upper floors is extremely limited (two flights of steep stairs). Our long-term development plans include addressing the DDA compliance of the building but during the initial planning period, people with mobility problems can only be accommodated on the ground floor, where a fully accessible disabled toilet is available.
